System Functionalities

System Functionalities

- Flexible and easy to be learned and used.
- Ability to integrate with third party back office system.
- Transactions are highly secured.
- Supports GPS Functionalities. (Optional).
- Fully parameterized application
- Bilingual application interface.
- Reliability, seamless crash and data recovery.
- Very high speed data transfer using the latest –both wired and wireless-technology.
- End of day or real time data synchronization.

Main Modules

Meter Reading

- Selection of currently in-visit meter ID
- Entry of meter reading
- Calculation and printing of invoice values

Collection

- Cash payment.
- Cheques payment.
- Credit Card payment.

Routes

- Define routes
- Customer visit order

Main Modules

Traveling

- Guidance throughout routes.
- Reviewing performed visits info.

Follow up

- Feedback Handling
- Capture images on site.
- Enter notes.
- Record observation codes.
- Violation s and illegal use.

Exposure Modules

Reports

- Pre defined set of reports
- User defined Reports
- Field worker actions summary

Crumb Trail

- Time of exiting from and returning to the HQ.
- Traveling time period.
- Customer service period.

Administration Modules

Data Transfer

Handheld Computers and Portable Printers Specifications

Intermec CN51 Handheld Computer

- Intermec | SmartSystems™
- Max Speeds (Network Dependent): Uplink – 5.76 Mbps Downlink – 14.4 Mbps
- Enhanced Mobile Document Imaging
- Digital Compass and Accelerometer
- Microprocessor :1.5 GHz dual core, multi-engine; Windows Mobile 6.5.3
- Numeric or QWERTY Keypad Options
- 1 GB RAM; 16 G Flash; up to 32 GB microSD Expansion
- Industrial Spec: IP64 sealing, 1.5m (5 ft) to concrete acr
- Intermec 1D, 2D Area Imager & 5 MP Autofocus Color Camera
- Standard Battery Packs (Battery Capacity: 3.7 V, 3920 mAh)

Portable Printers

- **Receipt Printer**
  - **Character Sets:** English and Arabic
  - **Communications:** Bluetooth or 802.11 WLAN
  - **Graphics:** Supports user-defined fonts, graphic
  - **Programming Language:** ESC-P command (Optional)

Hardware Accessories

- Complete Line of Accessories:
  - Charge Only Multi-Dock
  - Quad Ethernet Dock
  - Single Dock with Battery Charger, Modem and Ethernet Modules
  - Vehicle Dock
  - USB Snap-on Adapter
  - Ethernet Snap-on Adapter
  - Audio/Power Snap-on Adapter
  - RS232/DEX Snap-on Adapter
  - Mag Stripe Reader
  - Holsters
